

READY 
TO RACE

2025 KTM 390 ENDURO R

FOR WHEN MOTHER
NATURE SAYS NO

KTM

**BUILT TO
CONQUER ANY TERRAIN**

STOP GROWING UP

START EXPLORING.

The 2025 KTM 390 ENDURO R is engineered for those who refuse to be limited by asphalt. Whether it's rocky trails, muddy paths, or steep inclines, this machine is built to dominate the wild. Inspired by KTM's championship-winning rally bikes, it delivers extreme off-road capability, advanced rider technology, and a design that dares you to push limits.

UNMATCHED PERFORMANCE

READY FOR ANYTHING

The **2025 KTM 390 ENDURO R** is equipped with a high-performance **399cc single-cylinder, liquid-cooled, DOHC LC4c engine**, delivering **46 PS of power and 39 Nm of torque** for high-performance off-road capability. The **ultra-light steel trellis frame** and **long-travel WP APEX suspension** ensure superior agility and control, no matter the terrain.

RIDERS AID

Selectable Ride Modes - Street & Offroad

Adaptable throttle response for varied surfaces

Ride-by-Wire Throttle

Precision control for all riding conditions

Quickshifter+

Seamless gear shifts for uninterrupted momentum

Bosch ABS with Offroad ABS & ABS-Off Mode

Optimized braking control in extreme conditions

MTC (Motorcycle Traction Control)

Optimal traction on all terrains

BUILT FOR OFF-ROAD DOMINATION

SUPERIOR SUSPENSION & HANDLING

Fully Adjustable WP APEX Suspension

200mm travel front & 205mm travel rear for unparalleled impact absorption

Premium Braking System

285mm front disc and 240mm rear disc with Floating Calipers for progressive stopping power

High Ground Clearance - 253mm

Provides the ability to tackle deep ruts, rocks, and obstacles without limitations

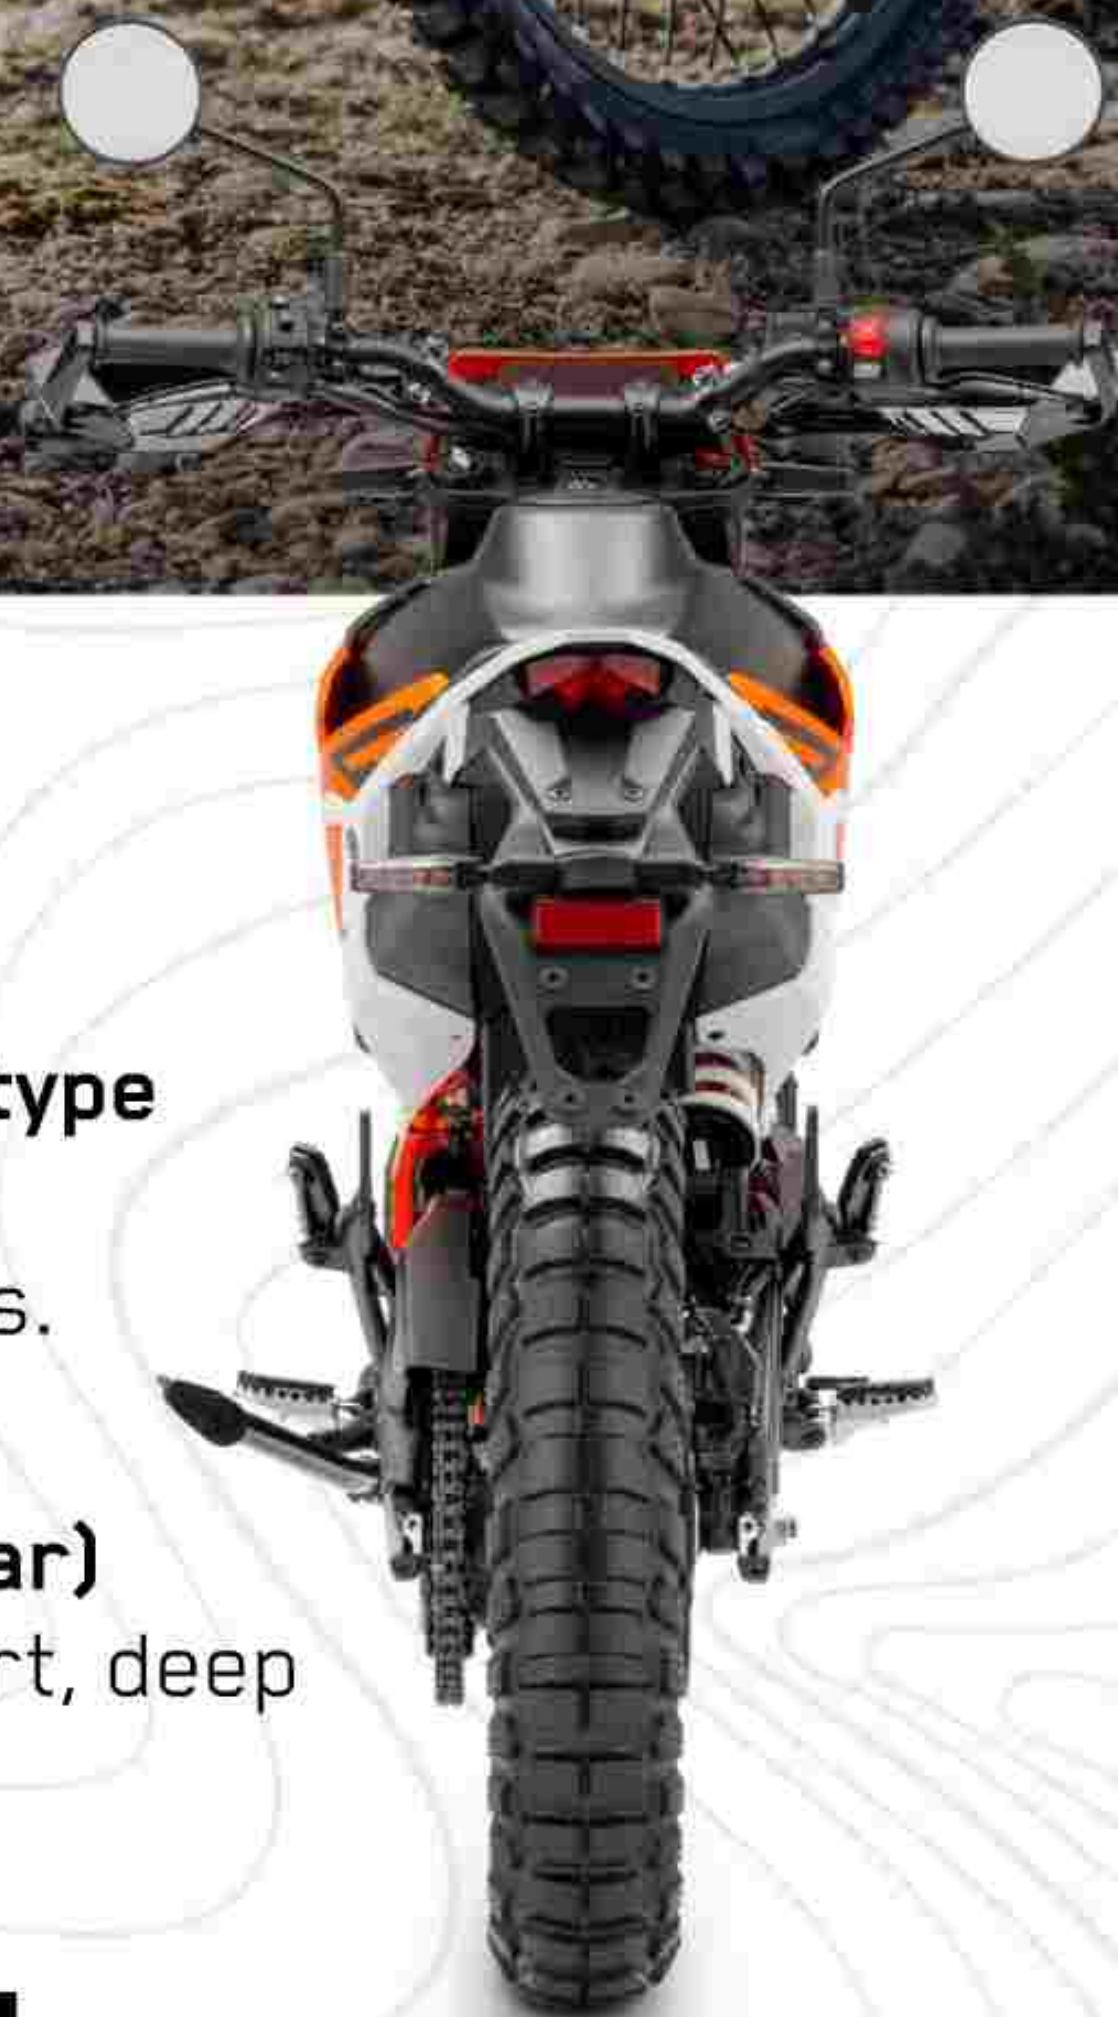

WHEELS & TIRES

- **21-inch front & 18-inch rear tubetype spoked wheels** provide maximum traction on unpredictable surfaces.
- **Mitas E07+ ENDURO TRAIL (90/90 R21 front, 140/80 R18 rear)** deliver exceptional grip in loose dirt, deep mud, and rocky terrain.

BRAKING SYSTEM

- **Front:** 285mm brake disc with Floating Caliper ensures progressive stopping power.
- **Rear:** 240mm brake disc with Floating Caliper, providing precise rear-wheel control for technical sections.

GROUND CLEARANCE

- With a **253mm ground clearance**, the **2025 KTM 390 ENDURO R** confidently crosses rocks, water obstacles, and deep trenches without getting hung up. The high-mounted engine, compact skid plate, and elevated exhaust routing ensure this motorcycle can take on the toughest terrain.

ERGONOMICS & RIDER COMFORT

HANDLEBARS & RIDER POSITION

- Inspired by KTM's factory rally bikes, the wide tapered aluminum handlebars provide responsive steering and precise weight shifting for total control.

SEAT DESIGN

- The ergonomically optimized rally-style seat allows seamless movement in aggressive off-road riding. Designed for long hours of endurance riding, it ensures optimal control in high-speed sections and technical climbs.

SEAT HEIGHT – 860MM

- Ideal for maximum visibility and mobility over rough terrain.

FOOTPEGS

- Adjustable, wide rally-style footpegs with removable rubber inserts offer maximum grip, perfect for aggressive standing riding styles in all conditions.

ADVANCED TECHNOLOGY

4.2" Bonded Glass TFT Display

Anti-glare technology with intuitive UI and USB-C charging port

KTM Connect with Bluetooth Pairing

Turn-by-turn navigation, music control, and call notifications

LED Headlights

Enhanced visibility in dark or foggy terrain

FUEL CAPACITY & RANGE

9-liter Fuel Tank

Designed for optimal weight distribution and extended range on tough trails

WHY CHOOSE THE 2025 KTM 390 ENDURO R?

Extreme Off-Road Performance

More power, more torque, and more control

Best-in-Class Power-to-Weight Ratio

Lightweight and agile for the toughest conditions

Advanced Rider Aids

Traction control, Offroad ABS, & Quickshifter+ for full control

Durable & Ready for Customization

Wide range of accessories for personalization

RIDER EXPERIENCE: GO BEYOND LIMITS

It's not just about the destination—it's about how you tackle the terrain.

The **2025 KTM 390 ENDURO R** is built for riders who crave the thrill of exploration, whether it's carving through rugged landscapes or pushing limits on untamed trails.

ACCESSORIES & CUSTOMIZATION OPTIONS

Akrapovič Slip-on Exhaust

Boost performance and add a signature sound

Luggage & Travel Accessories

Saddlebags, tail bags, & navigation mounts for longer rides

Upgraded Handguards & Skid Plates

Extra protection for extreme terrain

Personalized Graphics & Decals

Make it truly your own
