PRO-XP

Ride The Unexplored with KTM:

Be it adventurous and unconventional routes, or expert guidance that can make you a pro, the KTM Pro-XP Adventure tour to the North East is everything you know and yet everything you don't.

We're sure you've seen the mountains and ridden alongside rivers, but believe us, what we have in store for you is a thrill-seeking adventure you've always longed for.

We know that the adventurer in you deserves more. So, come join us as we take you on action-packed rides to unexplored misty hills, sparkling rivers, gurgling waterfalls, and a lot more, giving you a unique cultural experience, EVERY SINGLE DAY!

So, are you ready to see a side of the North East that you can boast about?

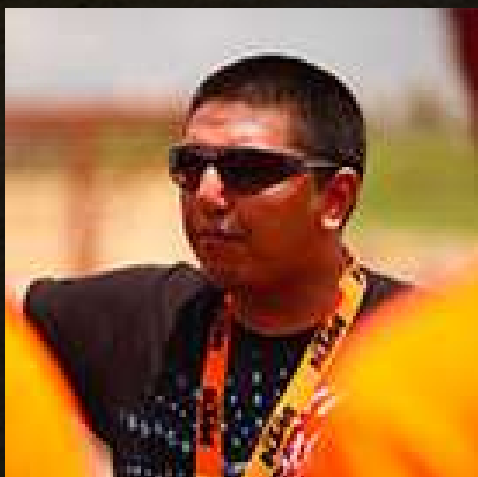

THE KTM EXPERTS:

OUSEPH CHACKO

FOUNDER AND INSTRUCTOR - THE SCHOOL OF DIRT

Leading the pack from the front is Ouseph Chacko, he has had a decade and a half long career as an auto journalist. He is the perfect leader who will elevate the tour to greater heights.

VARAD MORE

HEAD TRAINER - 21 ENDURO PARK

A talented motorcycle journalist and influencer, he knows his way around challenging routes like the one you are about to experience with us.

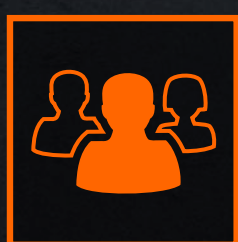

RISH JOHN GEORGE

MANAGER AND ASST. INSTRUCTOR - THE SCHOOL OF DIRT.

With more than 15 years of experience in adventure riding, Rish has the best off-roading tricks and tips for you. He will help you hone your adventure skills throughout the tour.

A full-page background image showing a motorcyclist in full protective gear (helmet, goggles, orange and black riding suit) riding a blue and white KTM motorcycle on a dusty dirt road. The road is flanked by lush green trees and vegetation, with misty, mountainous hills in the background under a clear blue sky. The motorcycle's license plate reads 'WB 20BH 9393'.

WHAT TO EXPECT:

DAY 1

ARRIVE GUWAHATI (182 FT.)

We arrive in **Guwahati**, where we meet the KTM team and get our motorcycle and gears checked. We get introduced to the KTM experts leading the tour and get briefed on the route, terrains, riding safety, hydration, acclimatization, Covid-19 protocols, do's and don'ts, leave no trace policy etc. After an ice-breaking ceremony, we call it a day. There is also an option of visiting the **Kamakhya Devi temple**.

DAY 2

GUWAHATI – DIRANG (5,118 FT. | RIDING DISTANCE 315 KM)

Day 2 starts with a ride to **Dirang (Arunachal Pradesh)**. We cross the mighty **Brahmaputra** and follow the road on its right bank. A 152 km ride takes us to **Balemu – The border of Arunanchal**, where we check in at the border and start an adrenaline-filled 158 km ride on the hilly roads to **Dirang**. We then drive

past the town of **Kalaktang** and stop at **Shergaon** for lunch hosted by a local **Sherdukpen** host, after which we continue to **Dirang**. Evening arrives at **Dirang**.

DAY 3

DIRANG – TAWANG (10,000 FT. | RIDING DISTANCE 138 KM)

On day 3, we start with a ride to **Sangti Valley**, after which we visit a local **Monpa** family. We return to the hotel for a quick breakfast and start the ride to **Tawang**. On our way, we visit the high-altitude **Indian Council of Agricultural Research**. We then ride across the **Sela Pass (13,681 ft.)**, and after a stop at the **Paradise Lake**, we have lunch by the **Jung waterfall**. We arrive at **Tawang** in the evening and go for a light and sound show hosted by the Indian army.

DAY 4

TAWANG - BUMLA PASS - TAWANG
(15,200 FT. | RIDING DISTANCE 75 KM)

The day starts with a ride to **Bum La Pass (15,200 ft.)** – The highest point of the tour. It is the international border between **India and China**. We can share a hot cup of tea with the Indian army before we ride back to **Tawang**. On our way back, we visit **Ani Gompa, Tawang Monastery and the Urgeyling Monastery**. After lunch, we visit the **Manjushree Vidyapeeth**. We return to **Tawang**, where we call it a day.

DAY 5

TAWANG - ZIMITHANG (7,800 FT.) - TAWANG (10,000 FT. | RIDING DISTANCE 160 KM)

On day 5, we do a complete loop of **Tawang**, covering a distance of 160 km riding through high mountain lakes, **Taktsang Monastery** or the **Tiger Den** to **Zimithang**. At **Zimithang**, we participate in the extremely adventurous KTM Academy, after which we visit the

13th-century Gorsam Chorten. After lunch at **Lumla Circuit house**, we visit the **Dolma Lhakang statue of Tara Devi** and the **Jhamste Gatsel** community school in **Lumla**. We then ride back to **Tawang** and end our day at the hotel.

DAY 6

TAWANG - MUKTO - BOMDILA
(10,000 FT. | RIDING DISTANCE: 138 KM)

We start our day with a ride to the rice bowl of **Tawang – Kitpi village**. Then we visit the **Chag-zam-iron-bridge**, after which we ride across the **Tawang Chu river** towards the **Mukto administrative block**, where we experience the ancient practice of traditional paper making. We then ride to **Sela Pass**, descend to **Dirang** and stay overnight in **Bomidla**.

DAY 7

BOMDILA - SEPPA
(1,190 FT. | RIDING DISTANCE 142 KM)

On day 7, we ride through **Arunachal's largest military cantonment area** – The

Tenga Valley across **Nichiphu Pass**. We then cross the bridge over the **Bichom river**, close to the confluence of **Kameng** and **Bichom**. On our way, we visit the **Bana circle** and interact with farmers, after which we join a lunch hosted by the **Aka tribe**. We end our day at **Seppa**.

DAY 8

SEPPA – ZIRO
(4,920 FT. |
RIDING DISTANCE 250 KM)

On day 8, we are in for an early start from **Seppa** as we ride to **Ziro Valley**. We ride past the **Lumdang village**, from where we ride over the **Papu Valley** and the **Serpentine river**. We then ride through **Papu, Pakke** and **Passa Valleys**. After breakfast, we ride past **Sagalee** town along **Pare river** down to **Hoi** and then to **Potin**. We will visit the **Chullyu rural village** if time permits. We call it a day at a hotel in **Ziro**.

DAY 9

ZIRO
(4,920 FT. | REST DAY TO EXPLORE
THE AREA)

Today we explore the **Ziro Valley** – A **UNESCO World Heritage site**. We visit **Hong, Hari** and **Hija villages**, have lunch by the **Swekhe Lake**, and visit the **Naara Aaaba winery**. We then ride to the famous **Siddeshwar Nath temple** in **Kardo**, which houses the largest natural **Shiva lingam** in the World. We return to the hotel in the evening and end our day with a campfire and music.

DAY 10

ZIRO - MAJULI
(275 FT. |
RIDING DISTANCE 155 KM)

On day 10, we bid adieu to **Arunanchal** and ride down to the plains of **Assam**. We arrive at **Dhungauri Ghat** and take a county-made boat to ferry across the **Brahmaputra** to **Majuli**. We arrive in **Majuli** by late afternoon, after which we enjoy the **Mishing tribal dance** (On request), after which we spend the night at a guest house in **Majuli**.

DAY 11

MAJULI - KAZIRANGA
(132 FT. | RIDING DISTANCE 155 KM)

We ride to **Kamalbari Ghat** through **Kamalabari Satra** and **Auniati Satra**. We ferry across the **Brahmaputra** to **Nimatai Ghat, Jorhat**. After we arrive at the left bank, we ride straight to **Kaziranga National park**, where we check in at a camp.

DAY 12

KAZIRANGA
(132 FT. | GAME DRIVE INTO THE PARK)

We go for an elephant safari for a close encounter with the endangered **one-horned Rhinoceros**, after which we return to the camp. After breakfast, we visit the botanical garden and then have **Assamese** lunch while enjoying the traditional dance show. We also have an option of a jeep safari to the western range to spot the **Royal Bengal Tiger**.

DAY 13

KAZIRANGA - GUWAHATI
(182 FT. | RIDING DISTANCE 212 KM)

On the last day of the tour, we ride back to **Guwahati**. As we arrive, we visit the **Navagraha** and **Sukhleswar temples**, and later we go further for a sunset cruise on the **Brahmaputra river**. When we return to the hotel, we are presented with the certificates and mementoes by the KTM team. We celebrate and have dinner at the hotel.

DAY 14

DEPARTURE FROM GUWAHATI

As we bid goodbye to **Guwhati**, we understand that we are no longer the same person as when we entered the tour. We now have new experiences, newer memories, better skills and more adventures to go on our KTM.
