# WHAT TO EXPECT:

## DAY 1 CHANDIGARH

The trip starts from Chandigarh, and after all the procedures and required checks, the experts will brief the riders.

## DAY 2 CHANDIGARH TO FAGU HIGHEST ALTITUDE REACHED: 8,038 FT (150 KM, APPROX. 6 HRS)

The tour starts with a flag-off ceremony and then a ride to **Malla**. A never used off-road through the coniferous forest and steep climbs that descend with narrow hill road will take us to **Nainitiker**. Then we hit the national highway to proceed to Kanda Ghat. Post lunch, an uphill ride on the ghat takes us to **Chail**, followed by a ride to the mountain top, where we first view the snow-capped peaks. After a peek at the mighty Himalayas at Kufri, we stop at **Fagu, Theog, or Narkanda**.

## DAY 3 FAGU TO SANGLA HIGHEST ALTITUDE REACHED: 8,900 FT (196 KMS - 6 HRS)

On day 3, we ride to **Narkanda** from **Fagu** and take a detour to an unexplored route for a thrilling off-road experience riding through the dense forests of the Himalayas.

## DAY 4 SANGLA - CHITKUL - KALPA HIGHEST ALTITUDE REACHED: 11,320 FT (158 KMS - 5.5 HRS)

Day 4 starts with an adventure ride through the greenery of **Sangla valley** to **Chitkul** – the last village on the India-China border, after which we visit the 900-year-old **Kamru Fort**. We then ride down a challenging downhill of the cliff-hanger road past the Karcham dam to climb up to **Kalpa**, followed by a bonfire night.

## DAY 5

**KALPA TO TABO**  
HIGHEST ALTITUDE REACHED:  
**12,500 FT**  
(189 KM - 6 HRS)

The ride starts with a mesmerizing sunrise ride towards the **Rogi village**. We stop at a scenic viewpoint of Kinner Kailash mountain, after which we stop at **Khab bridge** – the confluence of Spiti and **Satluj rivers**. We then start the adrenaline-filled cliff-hanger climb towards **Nako** at 12,500 ft.

## DAY 6

**TABO – KAZA**  
HIGHEST ALTITUDE REACHED:  
**12,500 FT**  
(50 KM - 1.5 HRS)

Filled with breath-taking experiences, day 6 starts with a visit to the Tabo monastery. Then we do a hard but short riding distance to help us acclimatize, followed by a thrilling experience at a first-of-its-kind high altitude riverbed riding academy at Lidang that'll give you an abundant dosage of adrenaline for the day.

## DAY 7

**KAZA**  
HIGHEST ALTITUDE REACHED:  
**15,400 FT**  
(APPROX. 2 HRS)

Day 7 is the most challenging day of the entire tour. A whole day of riding at a high altitude above 14,000 ft will test every rider and make them push their limits to the extreme. The day will end with refueling at the highest petrol pump in the world.

## DAY 8

**KAZA**  
HIGHEST ALTITUDE REACHED:  
**13600 FT**  
(APPROX. 2 HRS)

We start by visiting the highest polling booth in the world - Tashigong. A ride to the **Chicham bridge**, followed by a visit to the Key monastery, where we get to be a part of the evening prayers.

## DAY 9

**KAZA – KUNZUM LA -  
CHANDRA TAAL**  
HIGHEST ALTITUDE REACHED:  
**14,930 FT**  
(100 KMS – 5 HRS)

An adventure-packed day as we start our ride towards **Chandra Taal** – a freshwater lake. One of the highlights of the ride is the most notorious pass of the Spiti belt, the **Kuzunm La pass** - a high altitude, challenging off-road for daring riders! We visit the **Kunzun Devi temple** and then we ride on a narrow off-road to **Chandra Taal**.

## DAY 10

**CHANDRA TAL – ATAL  
TUNNEL – MANALI**  
HIGHEST POINT REACHED:  
**14,100 FT**  
(111 KM – 7 HRS)

The best day for the off-road lovers, as we ride via **Batal** on a stony riverbed for 80 Km to reach **Gramphu**. We leave the **Spiti valley**, and then, passing through the **Atal tunnel**, we enter **Manali**.

## DAY 11

**MANALI – CHANDIGARH**  
HIGHEST ALTITUDE REACHED:  
**7,000 FT**  
(300 KM – 8 HRS)

From Manali, we start our ride back to **Chandigarh**, riding alongside a river. Once we reach **Chandigarh**, we celebrate a gala night at the hotel.
