RIDE RULES

Follow all rules and regulations of the ride and the Pilot Rider. They are for your and fellow riders' safety.

- » **Riding gear** – We recommend every rider should have at least the basic safety gears such as right size helmets, riding jackets, hand gloves, riding pants / knee guards, protective footwear, etc. Riders will not be allowed to ride in shorts, track pants, or sleeveless vests at any time during the entire ride.
- » **Zero tolerance** – Riders who have bad motorcycle attitude, ego issues or under the influence of any kind of alcohol or drugs during/ beginning of the ride will not be allowed.
- » The Expert rider will be conducting alcohol tests every morning as per the routine. Failing to meet the requirements will result in the Expert rider expelling you from the ride immediately.

RIDE RULES

- » **Riding Formation** – Always follow the riding formation and guidelines laid by Road Captain. Each rider must maintain strict discipline when it comes to riding formation and riding speeds.
- » **Traffic Laws** – Follow all the traffic laws. Breaking of any traffic law will not be tolerated. If a rider is caught by any of the traffic cops for breaking traffic laws, he / she will be responsible for it and must handle that situation by himself / herself.
- » **No Stunts** - Performing bike stunts will not be allowed while on the group rides.
- » **Communicate** – Always communicate through signals with your Pilot rider, or any of the fellow riders just in case you are facing any kind of riding problems or any kind of health issues during the ride.
- » **Documents** – Please maintain all the necessary documents of your bike such as Vehicle Registration Certificate (RC card), Insurance Certificate and valid Driving License.

RIDE RULES

- » **Maintenance** – Get your bike serviced in time, go for a short ride and ensure your bike is as fit as you for the travel to avoid unwanted interruptions to you and our fellow riders.
- » **Fuel** – Always fill up your tank before the ride so we don't want have to stop unnecessarily for fuel on the way and cause delays.
- » **No Mobile Usage** – Riders are not allowed to use electronic devices such a mobile phones, cameras, video cameras, while they are on the ride.
- » **First Aid Kit** – Always carry your personal first aid kit along with you while coming on the ride. This is for your own safety as the Pilot rider may be unaware of your medical conditions & appropriate medications.
- » **Necessity** – Always carry hard cash along on the ride. There may be many places where there may not be any ATM available and there may be many places where people don't accept digital forms of payments.

RIDE RULES

- » **Acceptance** – Always be ready to face all kinds of weather conditions, including rains while you are on ride. So, it is better to carry your raincoat, luggage cover, or your winter coat as well.
- » **Changes** – There may be last moment changes as well in the plan or in the route depending on the few unavoidable situations.
- » **Remember to Carry** - One set of extra comfortable clothes, a water bottle, some healthy snacks and a small hand towel.
- » **Enjoy** - Enjoy every bit of the ride with a relaxed mind, never try to be in a hurry.

COVID-19 GUIDELINES

Considering the new normal, we intend to keep riders' safety first by undertaking all the necessary precautions during the ride.

All Places of stay have been chosen considering COVID compliances.

However, all participants are expected to keep sanitizers, gloves, face masks in their riding kit, enough to last the whole duration of the ride.

All participants are expected to maintain social distancing at all times.

All participant will have to download the Aarogya setu app for the entire duration of the ride and the status will be checked every morning at Breakfast time.

Temperature check will be done every morning and evening, right from day one.

Signed declaration indemnifying agency for KTM by all participants giving their consent for both COVID and third-party liability.

A small First-Aid kit and Medicines, any specific medication you may require, torch / flashlight (with extra batteries)

COVID Safety Kit; Face masks, gloves, sanitizers etc

Basic tool repair kit, extra bungee cords/ luggage locking belts

Piece of rope, spare key of your bike

High energy snacks

Waterproof pouches for securing electronic items

Spare spectacles, glass cleaning solution.

Light warmers and rain protection wear.

HOW TO PREPARE YOUR BIKE FOR THE TOUR:

We strongly recommend you service your motorcycle at the nearest KTM service center. Ride the bike for a short weekend trip before the tour onset. Ensure that the following is being addressed at the service center with the help of the technician.

Inspect your suspension before the trip

Check the rear swing-arm bush for wear and tear and replace if necessary

Check your chain and rear sprocket for wear.

Your bike's clutch is really crucial for this trip. So make sure that your clutch is in order and adjusted properly without trace of any drag, slip etc.

HOW TO PREPARE YOUR BIKE FOR THE TOUR:

Check your battery and earthing connections. The demanding terrain and the riding conditions that you and the machine are likely to encounter on the route could further accentuate existing problems.

Check all cables and if any are frayed, replace them.

It is critical that you know your machine's fuel consumption.
