KTM ADVENTURE EXPERTS

Start from Kochi KTM Vyttila Showroom and ride to Valparai through Athirappally Forest Range. 90% of the ride will be through Forest and plantation area. Enroute stops will be made at the famous Athirappally water falls and different scenic points in plantation area. Stay will be arranged in one of the best tea plantations in Valparai.

Valparai » Marayoor

120_{km}

Ride out of Valparai through the famous 40 hairpin bends ghat road and get to Marayoor through the beautiful Chinnar Wild Life Reserve. Enroute there will be a 10 kms trail riding with mostly mud and slush. Resort in Marayoor has private access to Chinnar River. Riders can reach resort for a late lunch and enjoy the river post lunch. Camp fire and bar be que can be planned for the evening.

TINERARY

KERALA ADVENTURE TOUR

Marayoor » Munnar » Kumily

185 km

This will be the toughest day in the tour. After early start from Marayoor and there will be a 3 hr long very difficult off-road section in Munnar tea plantation area. There will be 3 water crossings, rocky and slush sections. Post lunch ride to Kumily through high range highway. This day stay is planned in a town hotel so that riders can do some spice shopping post ride.

T I N E R A R Y

KERALA ADVENTURE TOUR

220_{km}

From Kumily ride to Sathram for 5 kms of off-road through the hills. Off-road will be mostly slippery mud trails and one water crossing. After Sathram ride to the party capital of Kerala, Varkala cliff through the foot hills of Sabarimala. Route selected for ride to Varkala from Sathram is mostly through forest to avoid the warm weather of the plains as far as possible and this will add some extra kilometres to the ride.

TINERARY

KERALA ADVENTURE TOUR

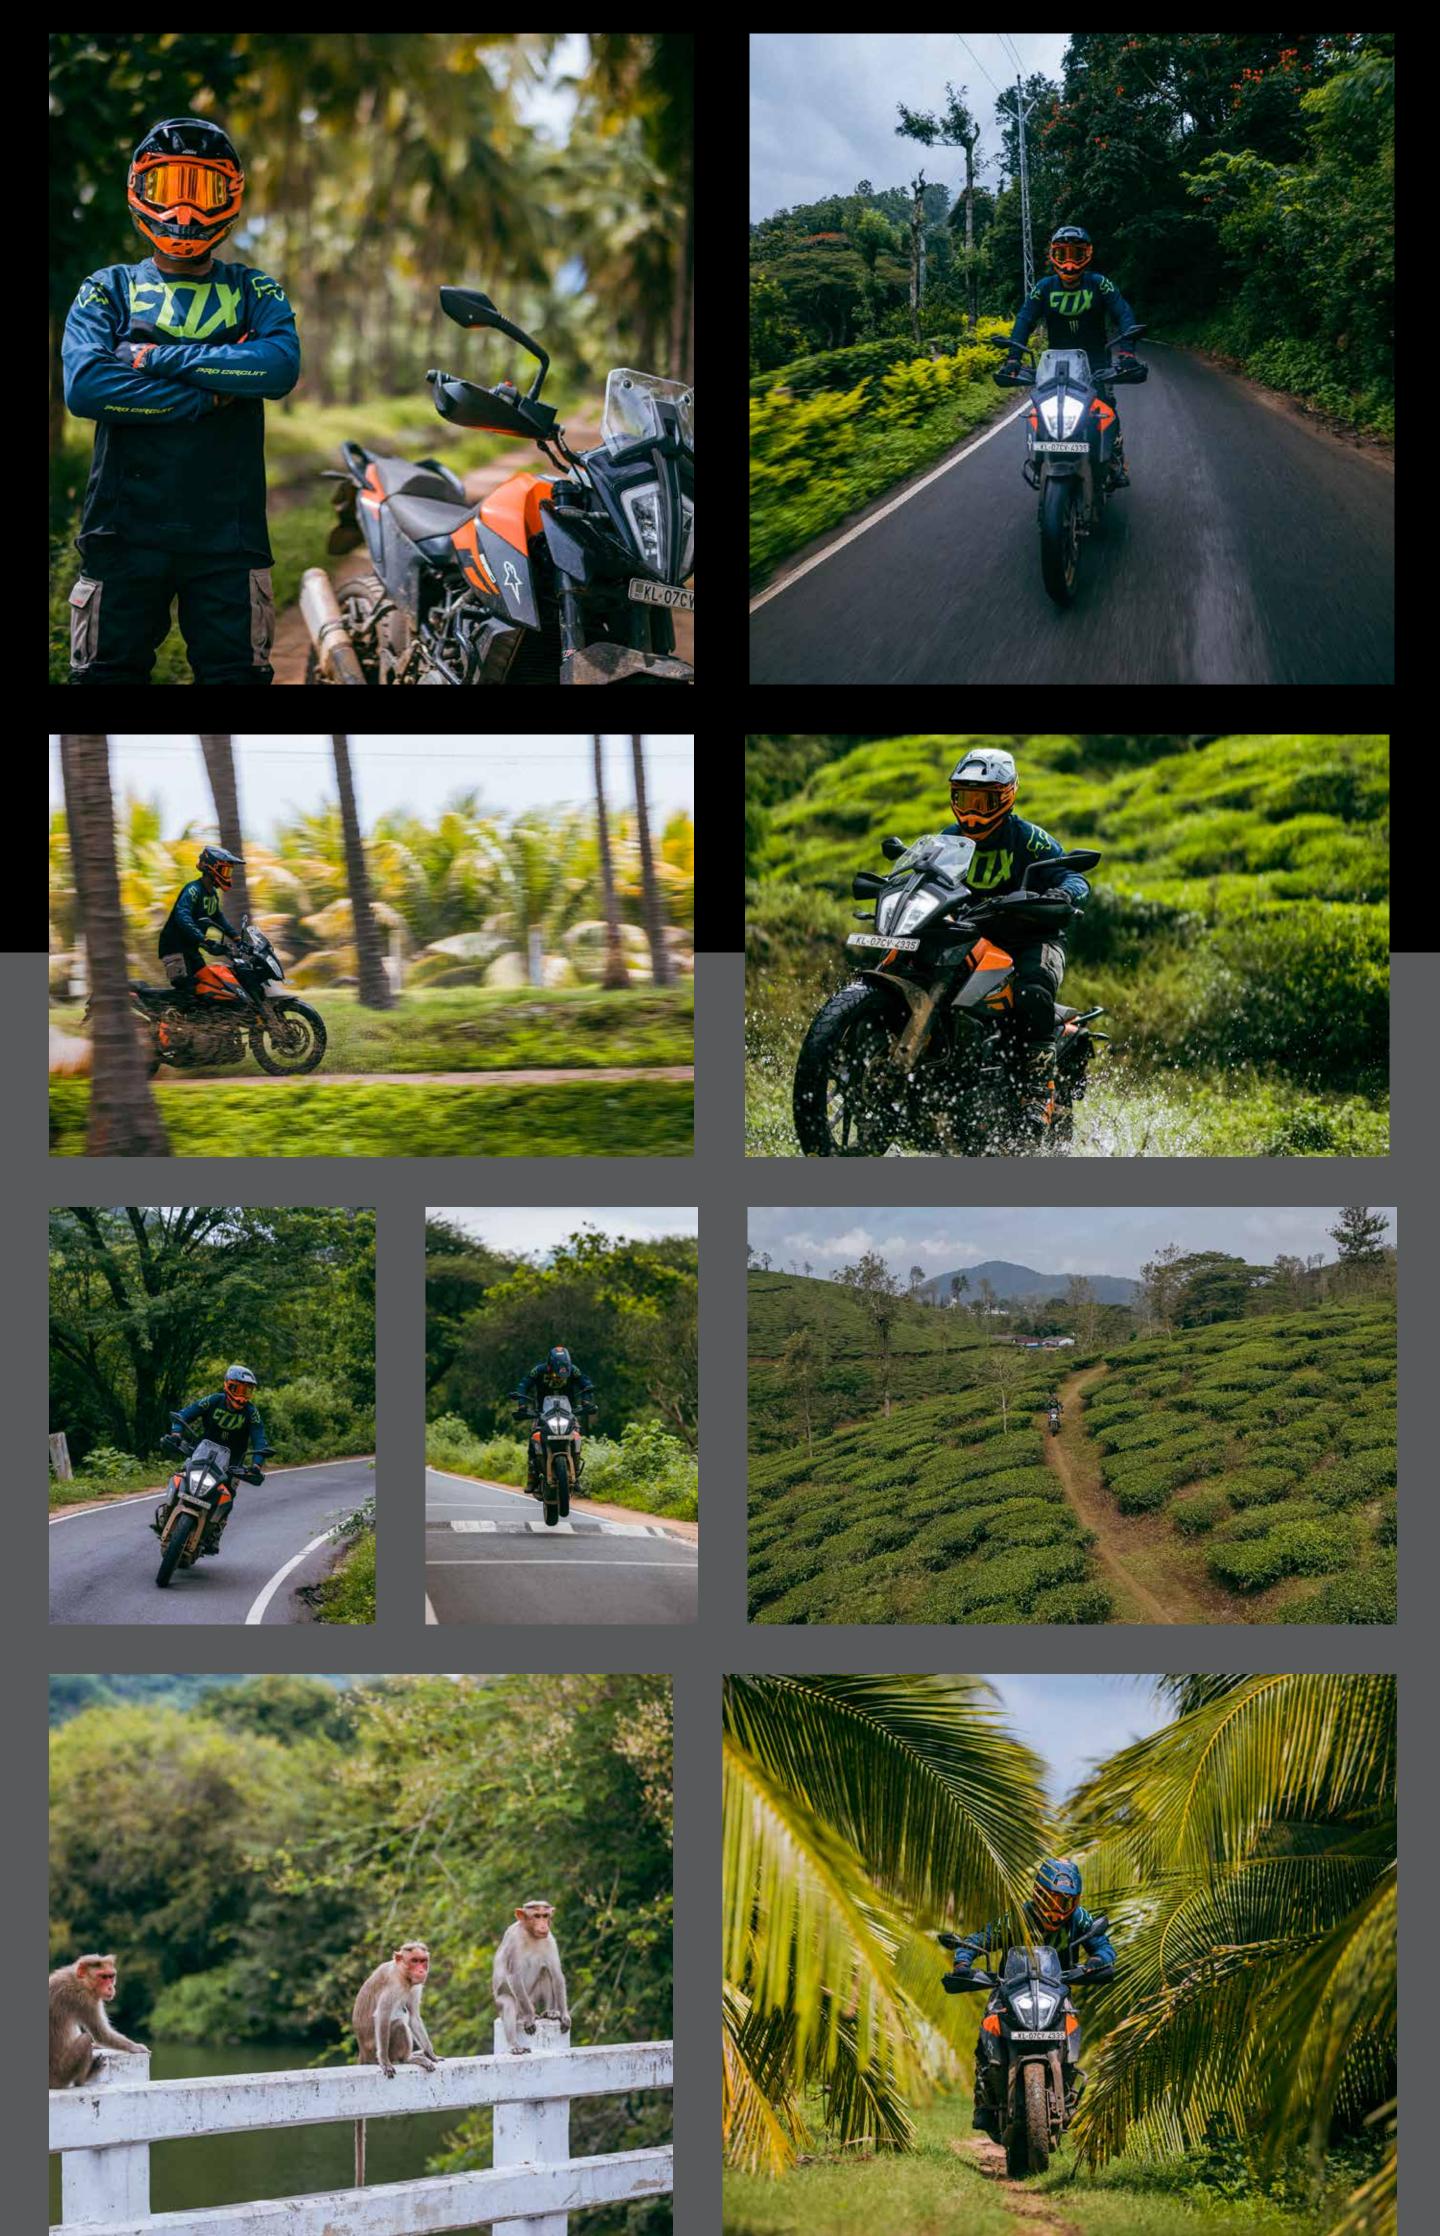

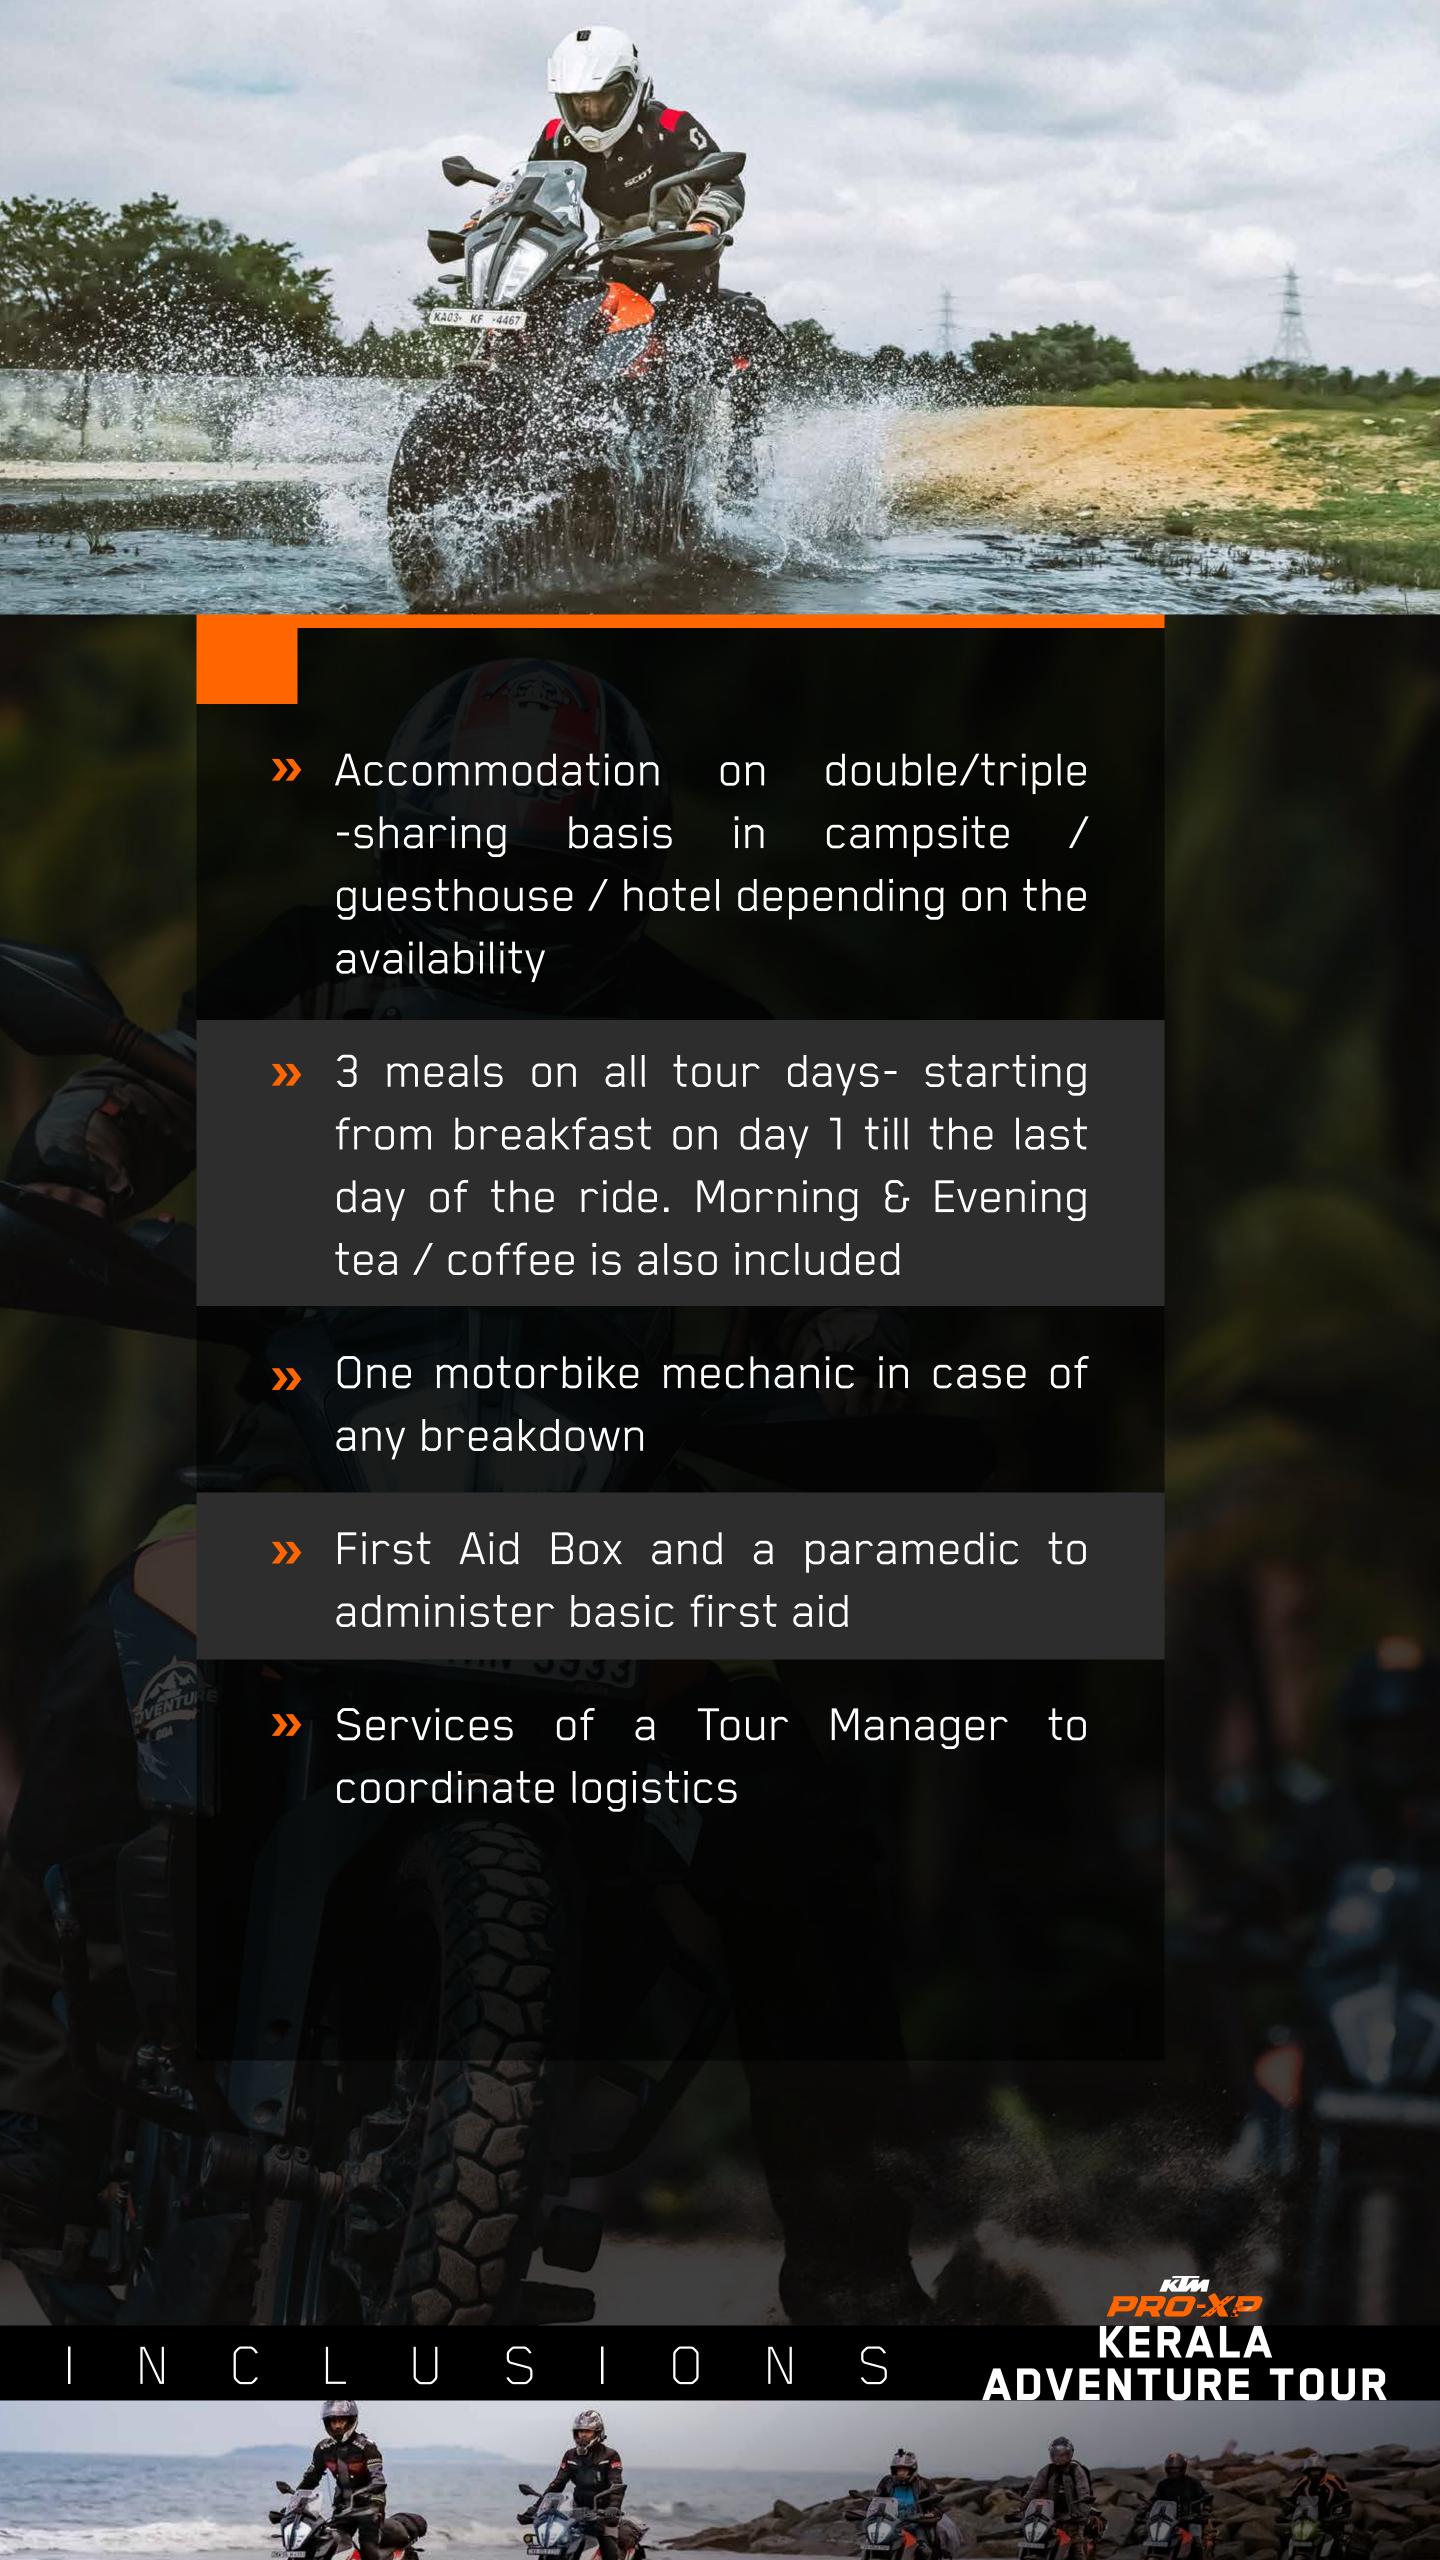

Varkala » Kochi

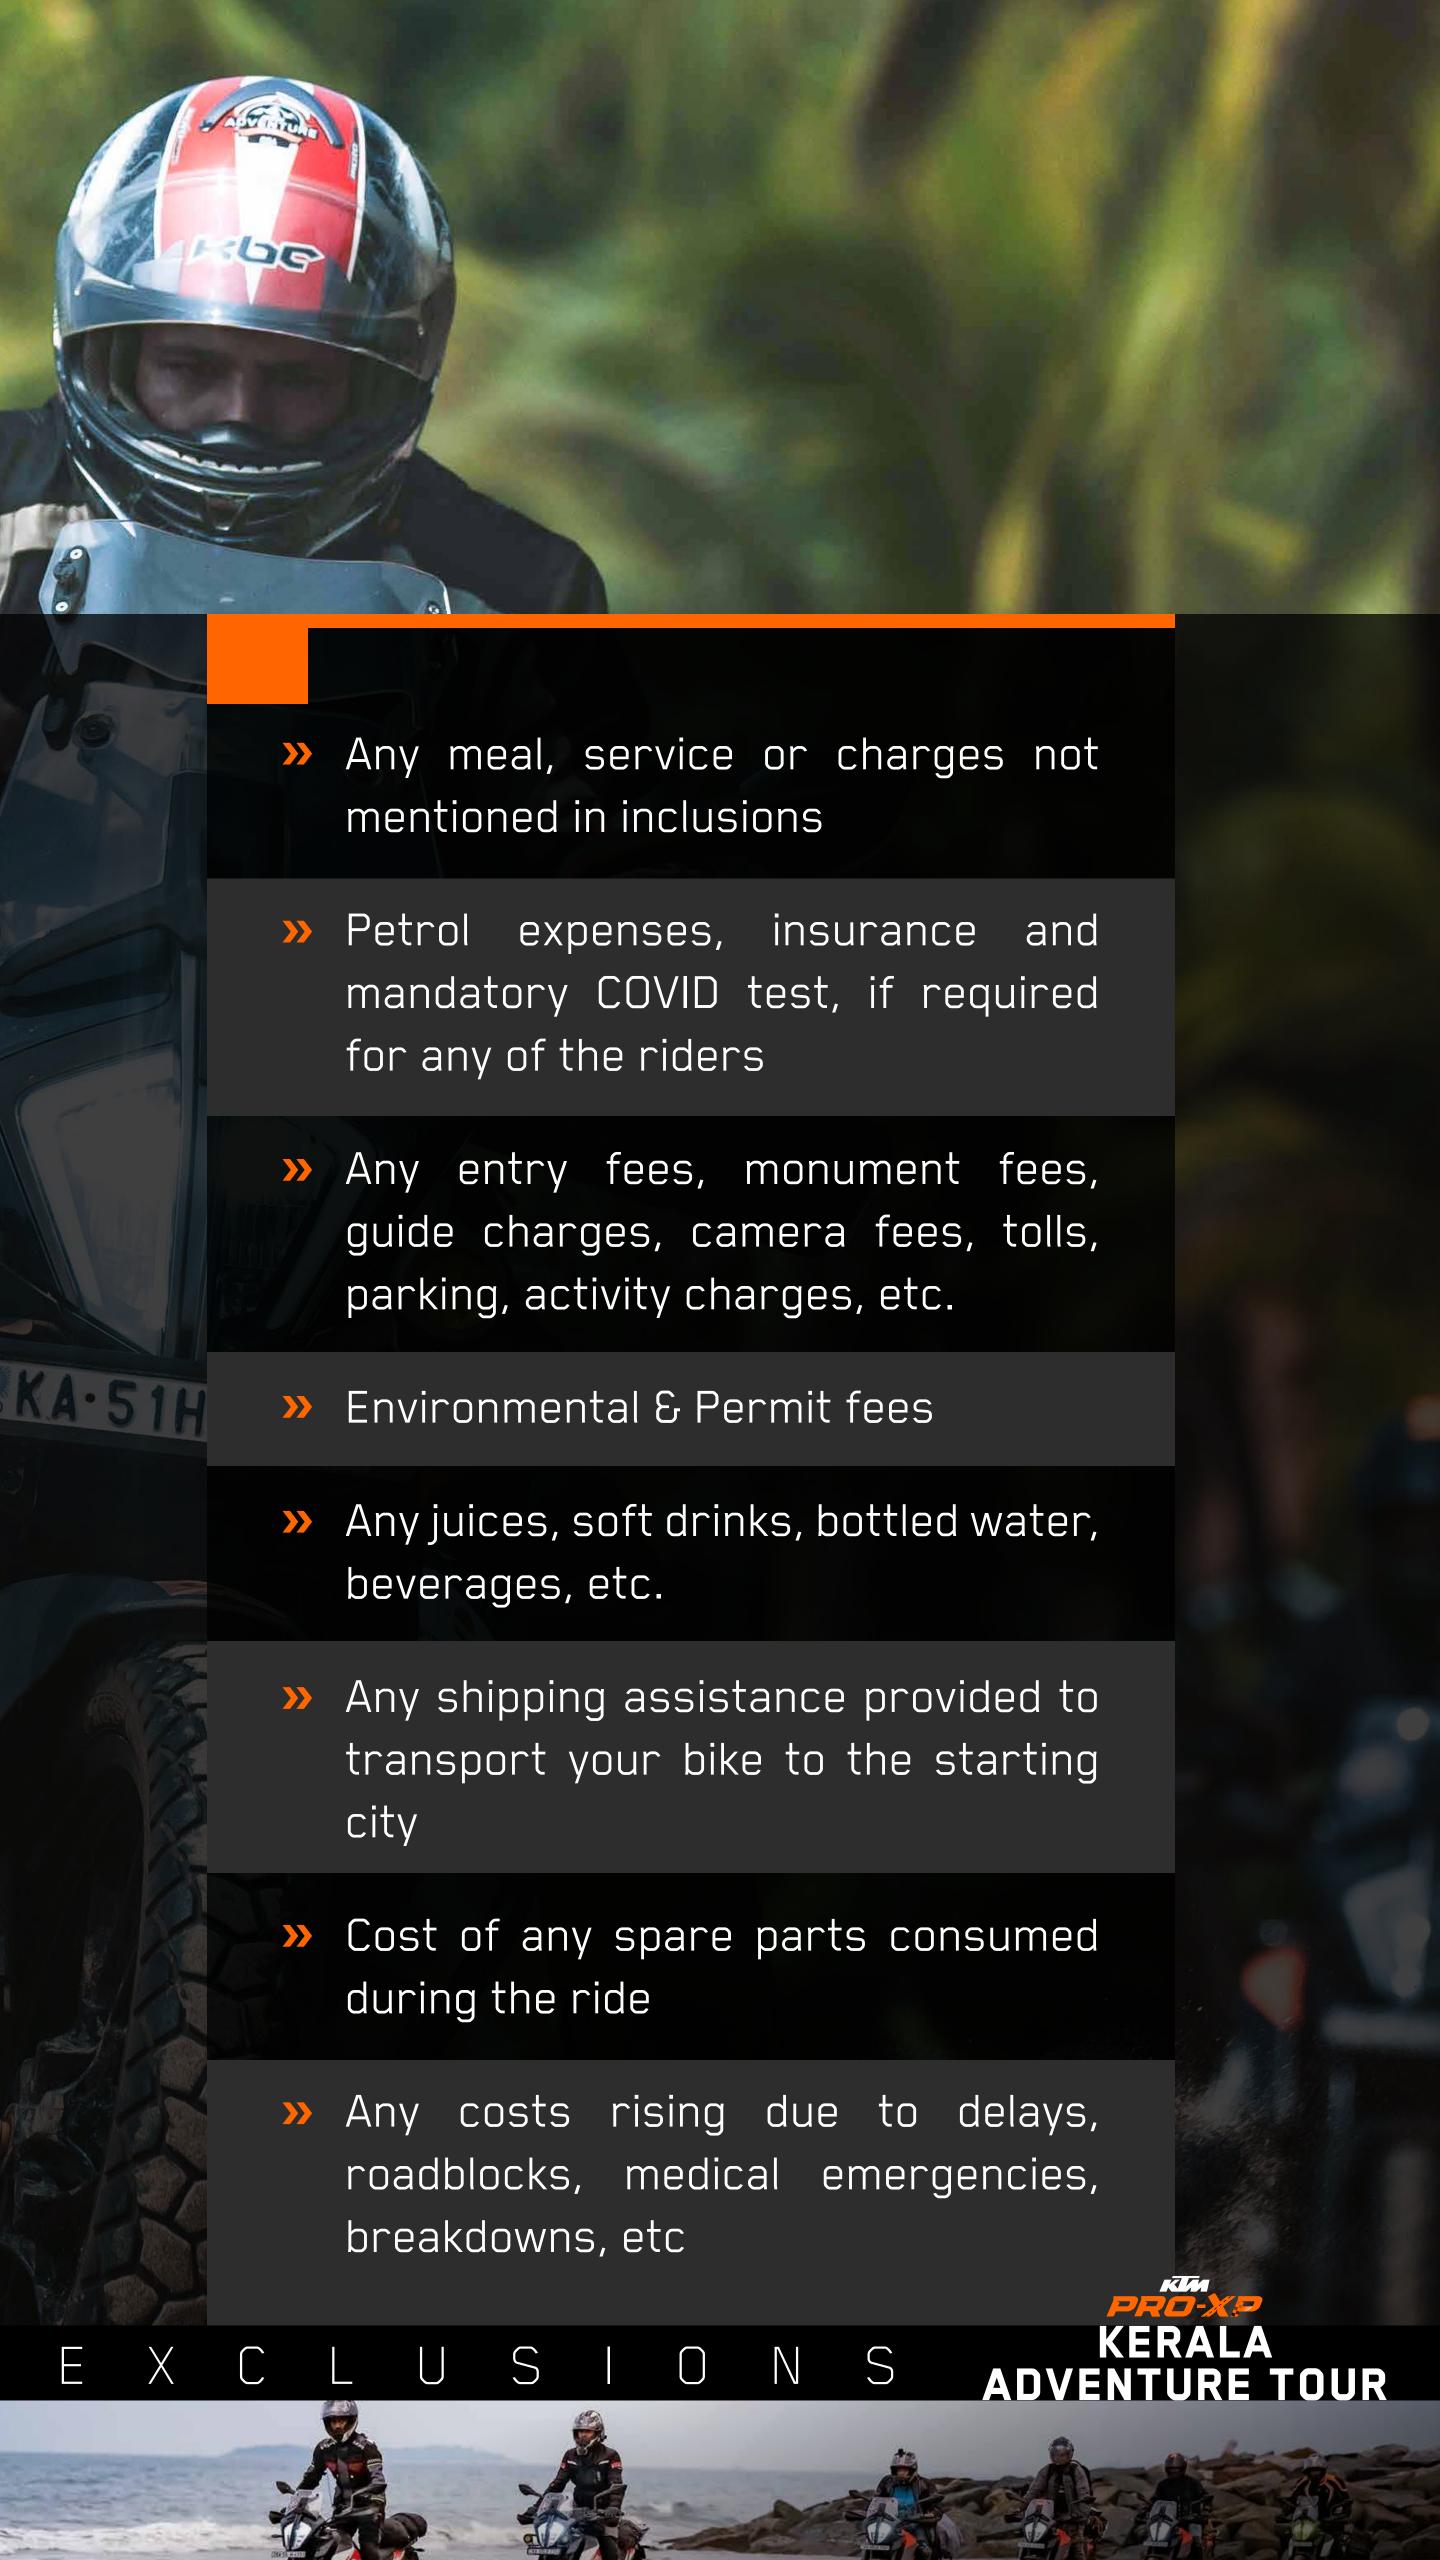

170 km

Ride home from Varkala post breakfast.

BOOK NOW

Follow all rules and regulations of the ride and the Pilot Rider. They are for your and fellow riders' safety.

- Riding gear We recommend every rider should have at least the basic safety gears such as right size helmets, riding jackets, hand gloves, riding pants / knee guards, protective footwear, etc. Riders will not be allowed to ride in shorts, track pants, or sleeveless vests at any time during the entire ride.
- >>> Zero tolerance Riders who have bad motorcycle attitude, ego issues or under the influence of any kind of alcohol or drugs during/ beginning of the ride will not be allowed.
- >> The Expert rider will be conducting alcohol tests every morning as per the routine. Failing to meet the requirements will result in the Expert rider expelling you from the ride immediately.

RULES & GUIDELINES KERALA ADVENTURE TOUF

- Riding Formation Always follow the riding formation and guidelines laid by Road Captain. Each rider must maintain strict discipline when it comes to riding formation and riding speeds.
- >>> Traffic Laws Follow all the traffic laws. Breaking of any traffic law will not be tolerated. If a rider is caught by any of the traffic cops for breaking traffic laws, he / she will be responsible for it and must handle that situation by himself / herself.
- >> No Stunts Performing bike stunts will not be allowed while on the group rides.
- >>> Communicate Always communicate through signals with your Pilot rider, or any of the fellow riders just in case you are facing any kind of riding problems or any kind of health issues during the ride.
- Documents Please maintain all the necessary documents of your bike such as Vehicle Registration Certificate (RC card), Insurance Certificate and valid Driving License.

- Maintenance Get your bike serviced in time, go for a short ride and ensure your bike is as fit as you for the travel to avoid unwanted interruptions to you and our fellow riders.
- >>> Fuel Always fill up your tank before the ride so we don't want have to stop unnecessarily for fuel on the way and cause delays.
- No Mobile Usage Riders are not allowed to use electronic devices such a mobile phones, cameras, video cameras, while they are on the ride.
- First Aid Kit Always carry your personal first aid kit along with you while coming on the ride. This is for your own safety as the Pilot rider may be unaware of your medical conditions & appropriate medications.
- » Necessity Always carry hard cash along on the ride. There may be many places where there may not be any ATM available and there may be many places where people don't accept digital forms of payments.

- Acceptance Always be ready to face all kinds of weather conditions, including rains while you are on ride. So, it is better to carry your raincoat, luggage cover, or your winter coat as well.
- >>> Changes There may be last moment changes as well in the plan or in the route depending on the few unavoidable situations.
- >>> Remember to Carry One set of extra comfortable clothes, a water bottle, some healthy snacks and a small hand towel.
- >>> Enjoy Enjoy every bit of the ride with a relaxed mind, never try to be in a hurry.

COVID-19 GUIDELINES

Considering the new normal, we intend to keep riders' safety first by undertaking all the necessary precautions during the ride.

All Places of stay have been chosen considering COVID compliances.

However, all participants are expected to keep sanitizers, gloves, face masks in their riding kit, enough to last the whole duration of the ride.

All participants are expected to maintain social distancing at all times.

All participant will have to download the Aarogya setu app for the entire duration of the ride and the status will be checked every morning at Breakfast time.

Temperature check will be done every morning and evening, right from day one.

Signed declaration indemnifying agency for KTM by all participants giving their consent for both COVID and third-party liability.

Please note that you will be carrying all your personal luggage on your bike, therefore pack accordingly and bring minimal items to make sure your ride is comfortable.

RTPCR test maybe needed as per state or statutory guidelines

You will have to strap your luggage to your bike. Carry your stuff in a duffel bag, soft shoulder bag or a rucksack that you can strap on to your bike. Carry a waterproof cover and straps for your luggage. Please avoid carrying expensive watches, jewellery and electronic items on the ride. You are responsible for the safety & security of your personal belongings.

Personal documents: Drivers License

Vehicle documents: RC/ Insurance/ PUC

Personal clothing, if needed - Light t-shirts, Trousers, Light fleece jacket, Small light weight towel, Cap/hat, Comfortable shoes / floaters for off-the-bike wear, Insulated water bottle and/or hydration pack, sunglasses with UV protection and ability to cut the glare, spare pair of socks

Personal toiletries, sunscreen lotion, lip balm

A small First-Aid kit and Medicines, any specific medication you may require, torch / flashlight (with extra batteries)

COVID Safety Kit; Face masks, gloves, sanitizers etc

Basic tool repair ki, extra bungee cords/luggage locking belts

Piece of rope, spare key of your bike

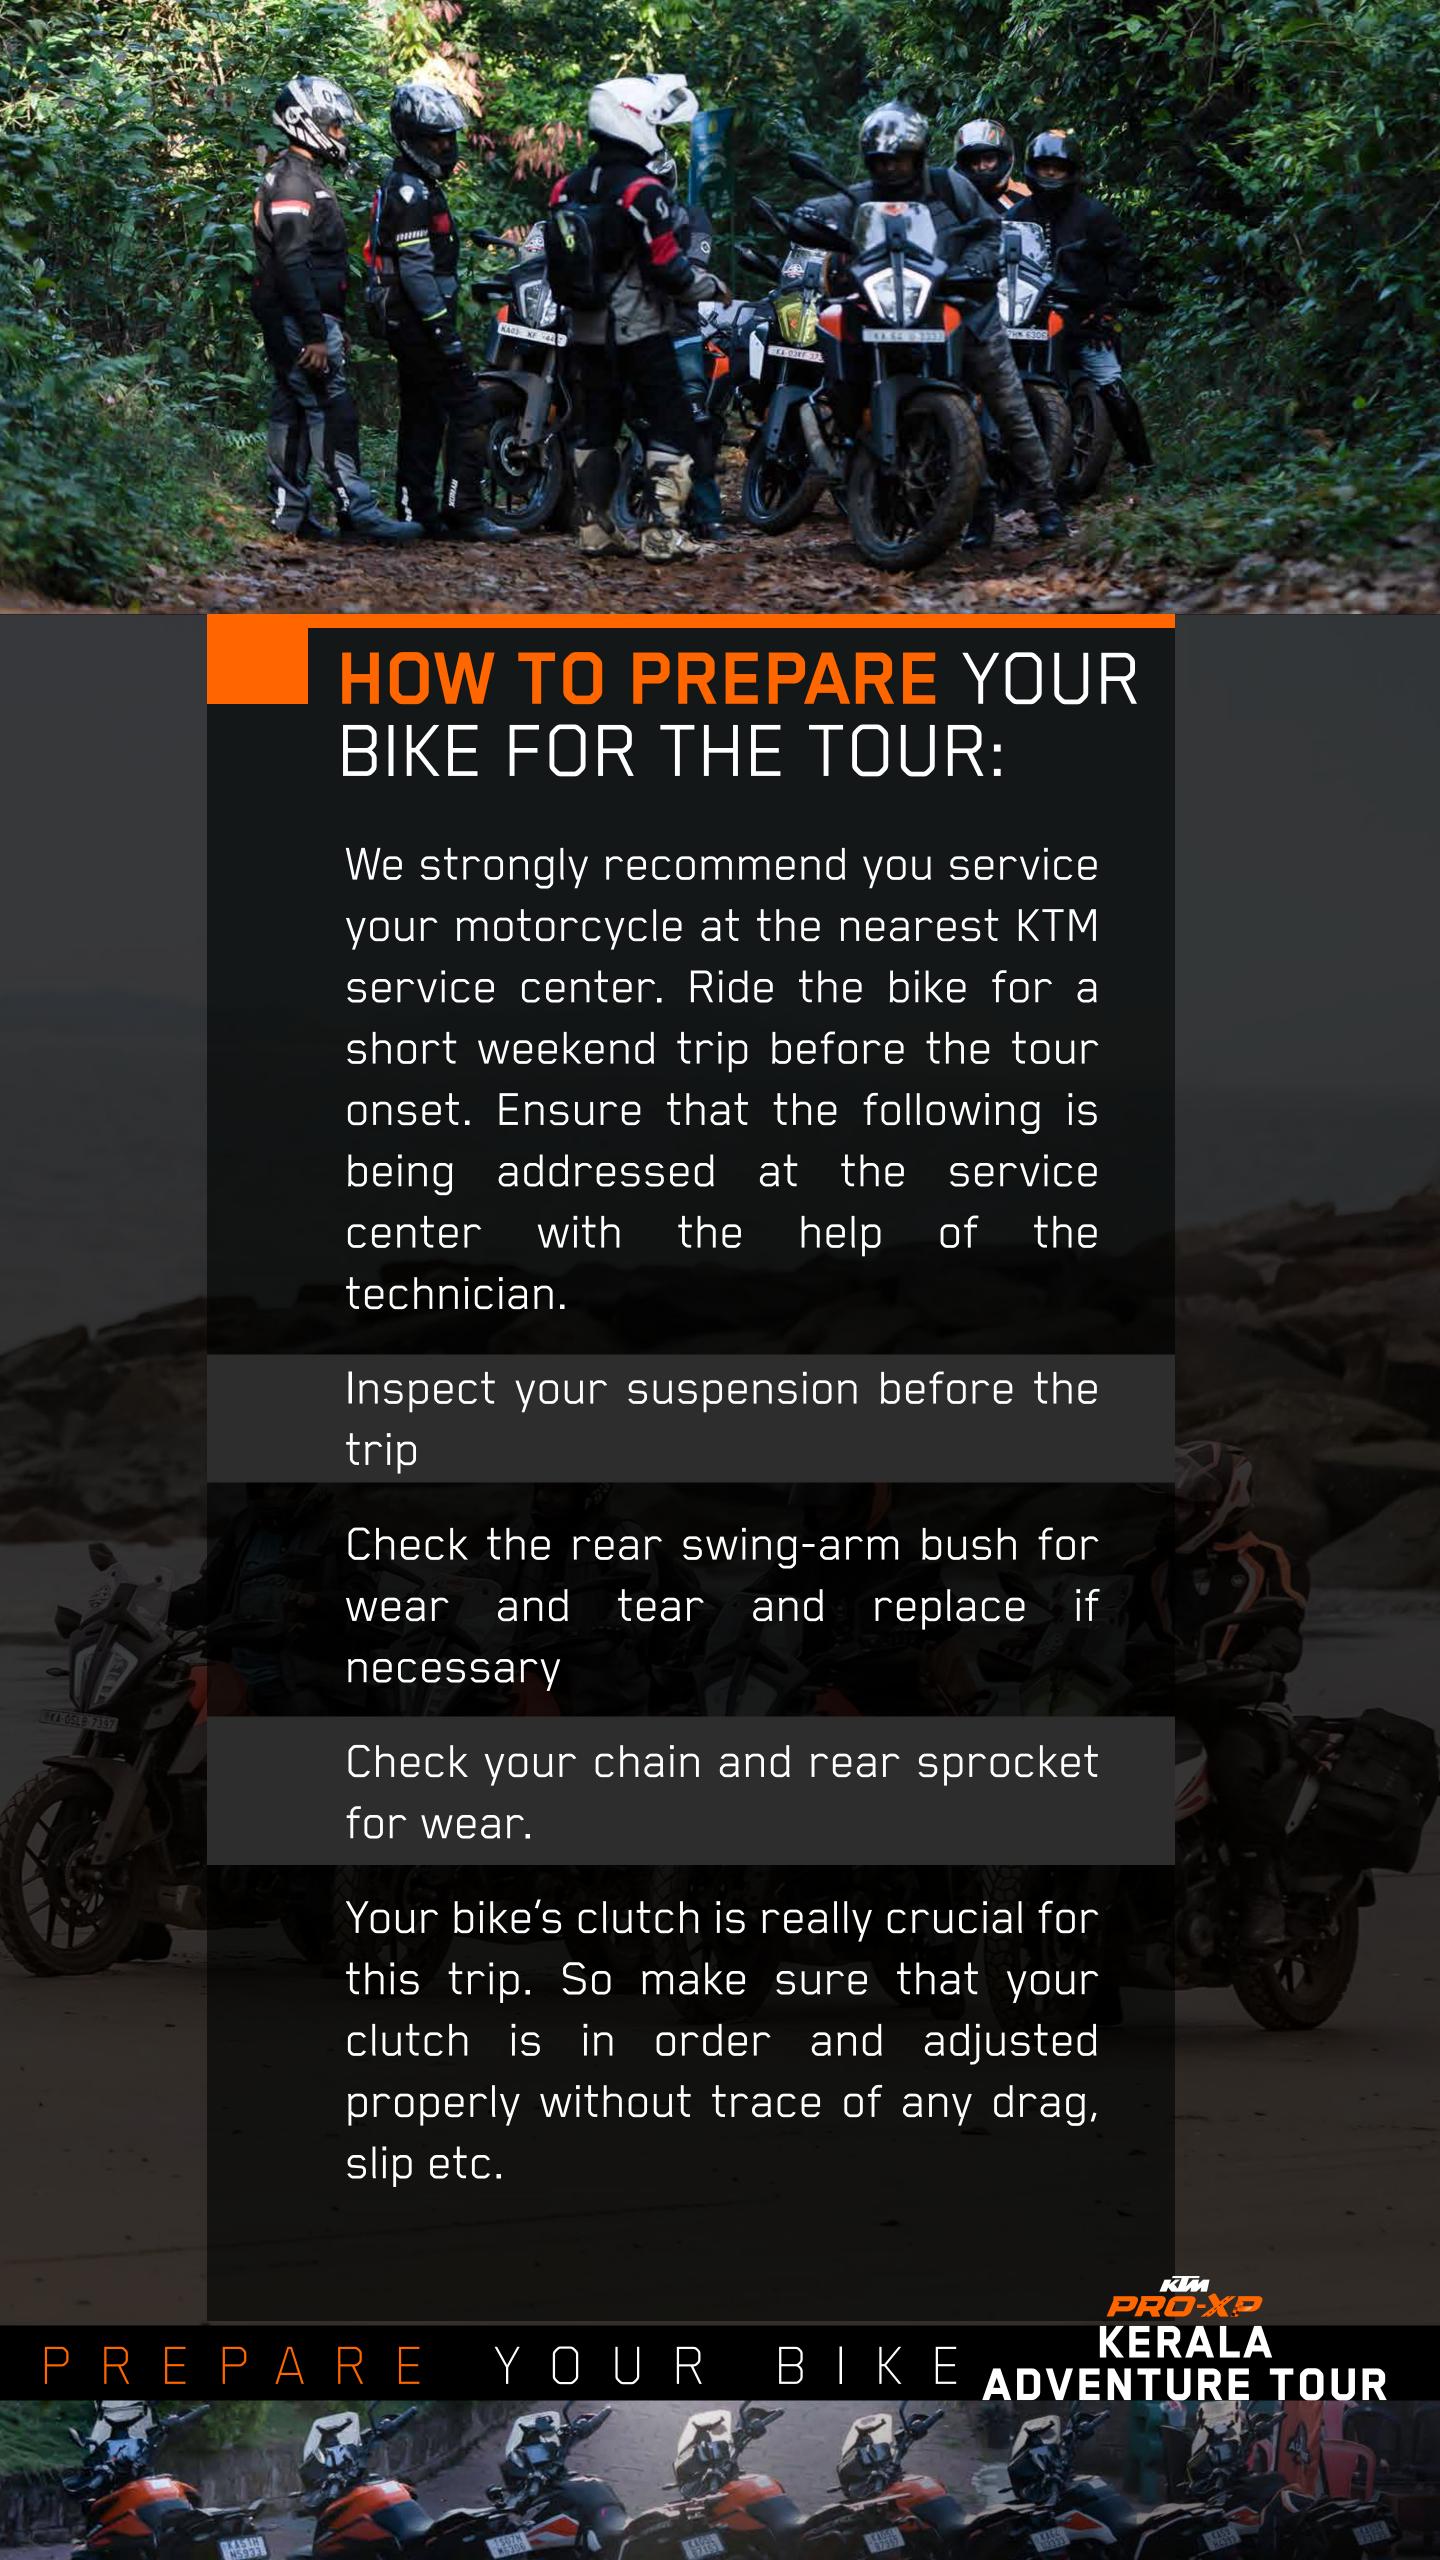

High energy snacks

Waterproof pouches for securing electronic items

Spare spectacles, glass cleaning solution.

Light warmers and rain protection wear.

HOW TO PREPARE YOUR BIKE FOR THE TOUR:

Check your battery and earthing connections. The demanding terrain and the riding conditions that you and the machine are likely to encounter on the route could further accentuate existing problems.

Check all cables and if any are frayed, replace them.

It is critical that you know your machine's fuel consumption.
