# LADAKH ADVENTURE, THE KTM WAY:

Unveiling rare and extraordinary adventures, the Ladakh journey with KTM PRO-XP offers everything a thrill-seeking motorcyclist desires and beyond. Every route is thoughtfully designed and guided by our KTM experts, who will steer you toward the path of becoming an accomplished adventurer while honing your skills in the right manner.

Over the course of 11 consecutive days, you will encounter exhilarating high-altitude riding, formidable terrains, and unexpected twists that will keep you engaged and excited throughout, ensuring your transformation into a seasoned professional by the end of the ride.

# THE GREAT LADAKH ADVENTURE TOUR

# WHAT TO EXPECT

1  
DAY

## DAY 1: MANALI

The first day of the tour starts in Manali, where riders and their machines will get ready for **registration, motorcycle check, gears scrutiny**, and a team briefing to prepare for the days ahead.

2  
DAY

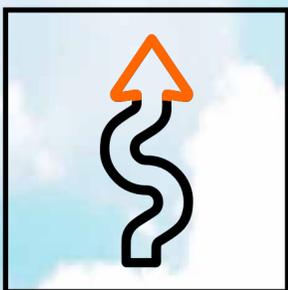

## DAY 2: MANALI TO JISPA

Highest Altitude reached: **16 700** ft  
Distance covered: **230** km approx.  
Duration: **7.5** hrs

We start the tour with a ride to **Shinkula**, with a high altitude ride that will help riders acclimatise on the tour. With a main highway route option for, **Adventure 390** riders can choose off-road trails using inner roads. There will be stops near **Sissu Lake**, with views of **Palamdhara waterfall**, and a river side lunch at **Jispa**. We end the day with a campfire.

3  
DAY

## DAY 3: JISPA TO PADUM

Highest Altitude reached: **16 550** ft  
Distance covered: **136** km approx.  
Duration: **8** hrs

On Day 3, our **PRO-XPians** take the road less travelled to get to **Padum**, stopping en route for the magnificent views of the Majestic Holy Mt. Gonbo Rangjon, and the isolated village of Kargyak, situated at **13 860** ft. After visiting the famous monastery of **Bardan Gompa**, we finish the day with a late lunch at **Padum**.

**4**  
DAY

#### **DAY 4: PADUM TO LEH**

Highest Altitude reached: **16 269** ft

Distance covered: **310** km

Duration: **8-9** hrs

Day 4 features a ride through the barren and beautiful landscape of **Zaskar Valley**, including a **90%** non-tarmac adventurous road. We will ascend Sengge La, at a height of **16 269** feet, for a breathtaking view of the valley. **PRO-XPians** will also have the opportunity for a photoshoot at the confluence of the Indus and **Zaskar rivers**.

**5**  
DAY

#### **DAY 5: REST DAY**

Day 5 is a much-needed rest day to recover from the long rides of the previous days. Riders can avail the opportunity of a **self-guided** local sightseeing of monasteries in and around **Leh**, followed by a **Ladakhi cultural** show and music in the evening.

**6**  
DAY

#### **DAY 6: HIGH ALTITUDE ADVENTURE ACADEMY**

Day 6 kick starts with breakfast followed by High Altitude KTM Adventure Academy where riders hone in on their off-roading skills, as they take on challenges and harsh terrains.

**7**  
DAY

### DAY 7: LEH TO PANGONG TSO

Highest Altitude reached: **16 000** ft

Distance covered: **150** km approx.

Duration: **4-5** hrs

While riding to the **Pangong Tso lake** – the most photographed destination in Ladakh – we go through the **Changla Pass** at an altitude of **16 000** ft, featuring off-road trails. **PRO-XPians** can enjoy a hot picnic lunch by the lake side.

**8**  
DAY

### DAY 8: PANGONG TO HANLE

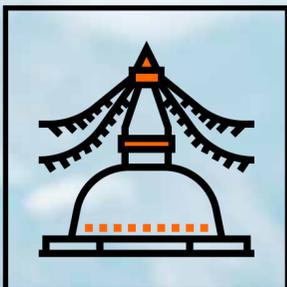

Highest Altitude reached: **14 760** ft

Distance covered: **176** km approx.

Duration: **5** hrs approx.

Day 8 takes our **PRO-XPians** via **Chushul** to **Hanle**, one of the few places in India where you can observe the **Milky Way Galaxy**. We can enjoy a jaw-dropping view of the night sky using state-of-the-art telescopes before preparing to explore more of **Hanle**.

**9**  
DAY

### DAY 9: HANLE

Highest Altitude reached: **19 300** ft

Distance covered: **220** km approx.

Duration: **7-8** hrs approx.

Riding through the barren and beautiful landscape of **Changthang plateau**, riders will experience the absolute thrill of reaching **Umling La**, one of the world's highest motorable passes, at **19 300** feet. Subject to permission from IA, we could also ride upto **Demchok**, the last border village. We end that day back in **Hanle**.

# 10 DAY

## DAY 10: HANLE TO LEH

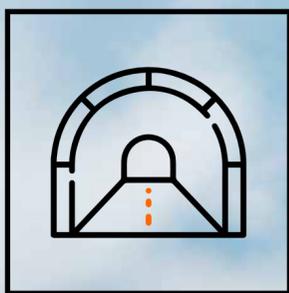

Highest Altitude reached: **14 760** ft

Distance covered: **288** km

Duration: **7-8** hrs approx.

Day 10 features a relaxing ride through picturesque valleys and villages, with a de-tour to **Puga Hot Springs** – a mere **30 minute**-ride from Mahe bridge. We stop for refreshments at Puga Hot Springs and **Karu**. In **Leh**, we end the day with **felicitation of all the participants** followed by an afterparty.

# 11 DAY

## DAY 11: LEH TO JISPA

Highest Altitude reached: **17 582** ft

Distance covered: **340** km

Duration: **8** hrs approx.

On the ride back to **Manali**, we explore some of the most beautiful landscapes, with a chance to demonstrate long riding skills through extreme terrains. These terrains feature rides over 4 high passes – **Tanglang la (17 582 ft)**, **Lachung La (16 616 ft)**, **Nakee La (16 210 ft)**, and **Baralacha La (16 045 ft)** – finishing with a ride down the difficult 21 hair pin bends known as the Gata loops.

# 12 DAY

## DAY 12: END OF TOUR

On the last day of the tour, our **PRO-XPians** check out from the tour and return home with memories of a fun-filled, action-packed adventure, geared up for more **Pro-XP Adventure Tours** down the line.
