The **FORBIDDEN** Kingdom

the **KTM** way: Exploring some of the most scenic and eye-catching routes, through treacherous passes, trails, and routes, the Nepal Tour offers riders the perfect opportunity to hone in on their off-roading skills, by taking the least-explored muddy paths, forest trails, challenging climbs, and descends. With adrenaline-packed moments at every turn and corner, the Nepal ride promises to make riders off-roading pros, all of this whilst exploring the scenic beauties of the country.

TAME THE FORBIDDEN KINGDOM

WHAT to Expect

1
DAY

GORAKHPUR

Pro-XPians arrive in Gorakhpur on the first day of their Nepal tour. A short briefing session will be followed by a sumptuous dinner, getting everyone nourished for an action-packed 13-day expedition.

2
DAY

GORAKHPUR TO KATMANDHU

Pro-XPians will arrive at Kathmandu and check into the hotel.

3
DAY

REST DAY

The third day of the tour features bike check-ups & ride registrations, and short rides wherein the **Pro-XPians** will familiarize themselves with the new terrain, new surroundings, and get accustomed to the weather.

4
DAY

DAY 4: KATHMANDU TO POKHARA

Highest Altitude reached: **4271** ft

Distance covered: **242** KM approx. Duration: **9** hrs

We kickstart the day with an off-road adventure to **Manakamana Trail**, and visit the iconic **Manakaman Temple**. After a small detour and quick stop at **Begnas Lake**, we end the day at **Pokhara**.

5
DAY

DAY 5: POKHARA TO LETE

Highest Altitude reached: **10239** ft

Distance covered: **138** KM approx. Duration: **9** hrs

Day 5 begins with another off-road trail, this time to **Panchase**, from where **Pro-XPians** can catch sight of the glorious, legendary, and gargantuan **Mt. Machhapuchare** and **Mt. Annapurna ranges**. A river and waterfall crossing follows a quick stopover at **Dembua riverside and Phewa lake**, to end the day at **Lete, Kalopani**.

6
DAY

DAY 6: LETE TO JOMSOM

Highest Altitude reached: **11680** ft

Distance covered: **70** KM approx. Duration: **8** hrs

The 6th day features a short hard ride through a narrow forest road, canopied with lush greenery. Here, riders can explore **the mesmerizing Rock Garden**. Quick stopovers at **Dhumba Lake** and **Chheyima Lake** ensure the day ends with the gorgeous sight of a sunset along **the Nilgiri Himalayas**.

7
DAY

DAY 7: JOMSOM TO LO-MANGTHANG

Highest Altitude reached: **12599** ft

Distance covered: **116** KM approx. Duration: **8** hrs

Day 7 is when the tour passes through the **picturesque Great Canyon of Chaile Khola** – a sight for sore eyes. A visit to **the ancient Slate monastery and Red Blood Hills**, followed by a ride to iconic **Chhokam Lake**, ends the day at **Lo-Mangthang**.

8
DAY

DAY 8: HIGH ALTITUDE ADVENTURE ACADEMY

Highest Altitude reached: **15255** ft

Duration: **5** hrs

The 8th day is packed with adventure and challenges at the highest altitude of the tour at **the Nupra Pass Adventure Academy**. Riders will get their first taste of a training session in a closed-circuit environment, with special attention paid to uphill and downhill rides.

LO MANGTHANG

JOMSOM

POKHARA

9
DAY

DAY 9: LO-MAGTHANG TO SAMAR

Highest Altitude reached: **12599** ft

Distance covered: **110** KM approx. Duration: **8** hrs

The 9th day of the tour brings an edge-of-the-seat trail to the **Tibet Border** via a visit to **the Tsarang Monastery**. This is followed by a visit to the famous **Jhong and Luri Gumba caves**, ending the day at **Samar**.

10
DAY

DAY 10: SAMAR TO MUKTINATH

Highest Altitude reached: **12796** ft

Distance covered: **55** KM approx. Duration: **8** hrs

Day 10 is reserved for **the Pro-XPians** to explore the unexplored: trails and rides across the **uncharted landscapes of Upper Mustang**. Riding towards **Thorang Phedi Base Camp**, the riders visit the holy **Muktinath Temple** to end the day in Muktinath.

11
DAY

DAY 11: MUKTINATH TO TATOPANI

Highest Altitude reached: **13199** ft

Distance covered: **70** KM approx. Duration: **8** hrs

Day 11 of the tour starts off with a steep and challenging climb to **the iconic Lubra Pass**. After passing through **Kagbeni village** and riding across apple orchards in **Marpha**, our riders take a much-needed break at **the natural hot springs of Tatopani**, taking in the beautiful views of the surroundings.

12
DAY

DAY 12: TATOPANI TO POKHARA

Highest Altitude reached: **11250** ft

Distance covered: **60** KM approx. Duration: **8** hrs

Day 12 is a day for hair-raising moments, as the **Pro-XPians** ride across the highest suspension bridge in the world, and follow it up with a ride to **Sarangkot viewpoint**, from where they can catch the breathtaking views of **Pokhara City and Phewa Lake**.

13
DAY

DAY 13: POKHARA TO GORAKHPUR

Distance covered: **343** KM approx.

The tour comes to a close with a ride back to India where riders bid farewell to one another at India-Nepal Border. Riders are Free to go to their respective places with memories of lifetime.
